

**HIGH QUALITY MACHINING**  
**WORK THAT MEETS ALL YOUR REQUIREMENTS.**

With over 30 years of combined experience every project that comes into our shop is handled with pride and integrity. We treat it as our own. Every job is checked and rechecked with precise attention to detail. Our CNC operators have the skill and experience to produce high quality machined parts and the desire to make sure every job is done to spec.

We pride ourself on being the only CNC machinists our partners need.

**QUALITY CONTROL. SUPERIOR SERVICE. REAL EXPERIENCE.**
